Landmark Number: **55**

Historic Name: **Dunning House**

Address: **932 E. Main Street**

Description:

The house is a single story California Bungalow built around 1920. It has a side facing gable roof with offset low pitched gable over-porch and heavy decorative beams across the porch. Large stucco columns with a diamond design support the porch roof. The slanted bay window on the east side of the house contains a window seat. The house is covered with clapboard siding and has a red brick chimney. Both exterior and interior retain the original California Bungalow feeling and are in excellent condition. William Arthur Dunning, a local rancher, constructed the house, which was continuously occupied by the Dunning family until 1965.
